SPCA Pet Luminaries

One of the largest SPCA fundraisers for the year is the "Pet Luminary Program" that coincides with the Candlelight Processional on the evening of November 26th at Hopkin's Green. The luminaries are lit and become part of the backdrop for the event that kicks off the holiday season for Downtown Lexington. Your pets' names will be placed on the luminary (either in memory or honor of). It is a great way to honor one who has given so much to you.

The luminaries are $5 for one or three for $12.

Please contact the Chamber or SPCA by Monday, November 22nd to be included. You may also fill out your information below. Honor your pet and their importance to you and your family and help the SPCA at this special time of year.

Pet Name	In Memory or Honor Of	Pet Owner Name:	Paid:
